# Digi-Touch Cool™ 5in1

Digi Life, Easy Life.

Image simulated. For representational purposes only. Above model has Curd Maestro™ and Digi-Touch Cool™.

# Innovations that make life easy

**INDIA'S 1<sup>ST</sup>** **DIGITAL INVERTER™**  
TECHNOLOGY

The new range of Samsung Digi-Touch Cool™ 5in1 refrigerators brings intuitive and easy control at your fingertips.

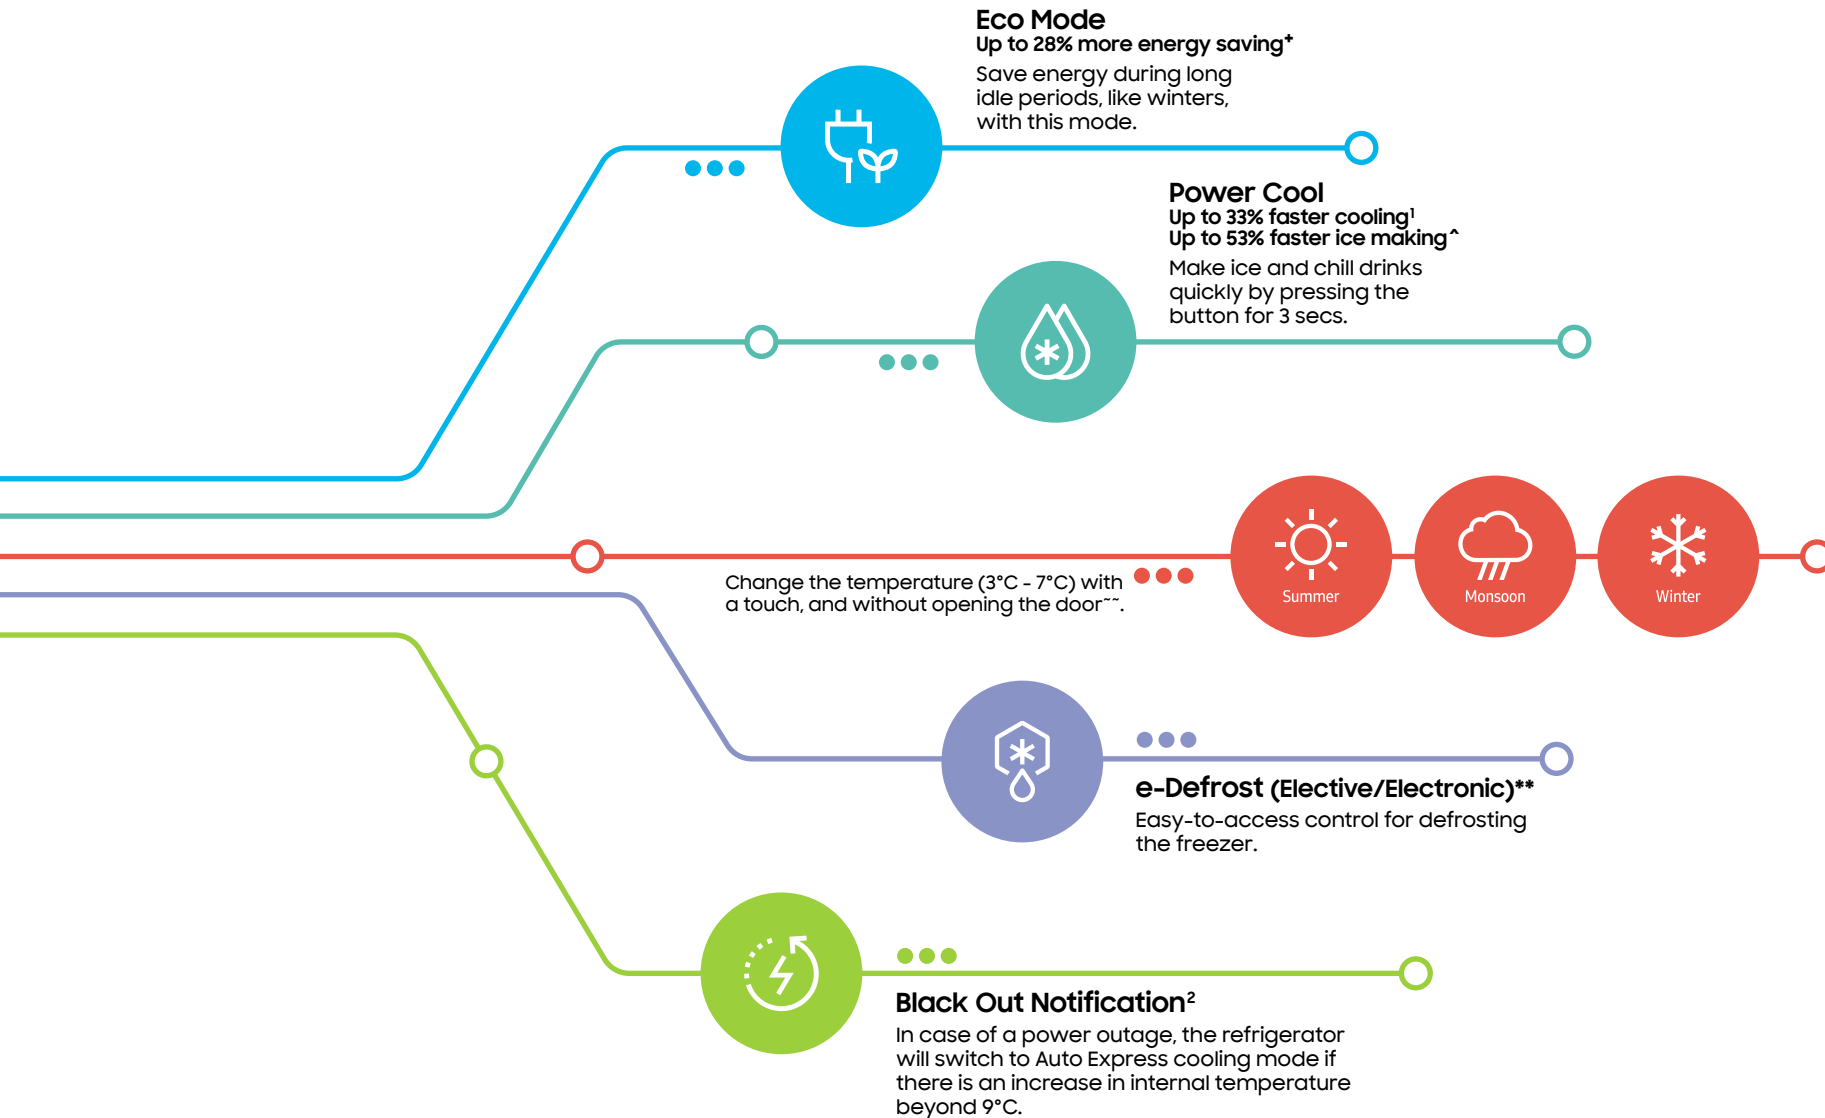

Now get all the information and control all functions with a futuristic touch panel. Not only does the innovative touch panel bring a dash of coolness to your kitchen, but it also makes controlling the most important functions of your refrigerator a breeze.

The Digi-Touch Cool™ 5in1 refrigerator offers all the style without missing on any of the substance.

# Digi-Touch Cool™ 5in1

The Digi-Touch Panel offers touch control for 5 key functions.

<sup>1</sup>Up to 28% more energy saving result based on Samsung internal lab test conducted for RR2000TH vs normal fridge setting of Normal Mode (Normal Mode: 11.4kwh/Month, Eco Mode: 8.2kwh/Month) result vs Samsung Conventional Direct Cool models under 4th stage. <sup>2</sup>Up to 33% faster power cooling result based on Samsung internal lab test conducted for RR2000TH (under 4th stage) comparison vs Samsung Conventional Direct Cool models. <sup>^</sup>Result based on Samsung internal lab test conducted for RR2000TH (under 4th stage) comparison vs Samsung Conventional Direct Cool models. <sup>~</sup>6-step Precise Control vs Conventional Samsung Direct Cool Refrigerators Winter Point (1-2) Monsoon Point (3-4) and Summer Point (5-6). <sup>\*\*</sup>One touch electronic defrost by simply pressing the button on the door screen for 3 seconds the defrost icon turns on (vs Conventional Samsung Direct Cool Refrigerators). <sup>2</sup>Activated automatically on power resumption (for 30 minutes) only if the temperature inside the refrigerator goes above 9°C during power cut or no power supply. (To deactivate express cooling: press any key on the panel or open the fridge door once). All images, features, claims, specifications shown herein are for representational purpose only, actual may vary from model to model.

# The design story

Finally a refrigerator that is as elegant as it is futuristic. The new Samsung Digi-Touch Cool™ 5in1 not only comes in alluring designs and colours, but also has a cutting-edge touch panel that is simple and easy to use.

## Premium handle design

**Garo:** The horizontal Garo Handle is sleek, curvaceous and convenient.

### Bar

This elegantly designed handle makes the refrigerator look chic.

### Island

This handle provides ease of access and its minimalist design looks modern.

## Premium door design

**Horizontal Curve:** Soft curves bring elegance to your kitchen.

### Grandé

A fine line aesthetically placed towards the bottom complements your style.

### Crown

The curved top of the refrigerator adds flair to your kitchen.

# Reaching peak efficiency

**20**  
Year warranty  
on Digital Inverter  
Compressor™

**20**  
years  
guaranteed

## Reliability

- Reliable and durable.
- 20 year warranty<sup>#</sup>.

**15 days full freshness\*\***

Fresh vegetables for up to 15 days.

Stabilizer  
**free**  
operation

**(100V - 300V\*\*)**

Sustains wide voltage fluctuations between 100V - 300V.

Connect  
**Solar**  
Runs on solar energy™

- All appliances can run on electricity generated by Solar Panels, within the voltage range of 100V - 300V.
- Current and Voltage in the batteries is regulated by the solar charge controller.
- In the evening, stored energy in the batteries is used by the SPCU to run appliances.

**5 star BEE rating\*\***

Samsung Direct Cool Refrigerators come with the highest mark of efficiency - 5 Star BEE rating. What it means is that you'll save a lot of money as well as help conserve the environment.

It also means that your refrigerator is using the best possible technology.

**Less noise\*\***

Cuts down noise by 40dB - 35dB as compared to conventional refrigerators.

Connect  
**Inverter**  
Runs on home inverter\*

- Consumes less energy, runs on home inverter.
- The food remains fresh during power cuts.
- Keeps on running 24x7 even during power cuts.

<sup>\*\*</sup>Available in select models only. <sup>™</sup>Connection subject to solar panel capacity installed at customer's premises. <sup>†</sup>Connection subject to home inverter capacity. <sup>\*\*</sup>Result based on Samsung's internal Lab Test conditions. Results may vary depending on different test conditions. 15 days freshness applicable on select vegetables. <sup>#</sup>Applicable only on Digital Inverter Compressor (DIC) on products sold from December 1, 2022. All products, images, features shown herein are for representational purpose only, actual may vary from model to model.

# Exclusive features

## 20 year warranty#

Enjoy great energy efficiency, little noise and a long-lasting performance. The Digital Inverter Compressor automatically adjusts its speed in response to cooling demand. So it is quiet, uses power efficiently and keeps working for long, backed-up by a 20 year warranty# on the compressor.

## 15 days full freshness\*\*

The new Digital Inverter range keeps vegetables fresh for up to 15 days. Now you can enjoy first day freshness, for up to 15 days.

## 5 shelves

5 shelves come with a load bearing capacity of up to 175 kg. This gives you the freedom to store more food items.
